DEDICATION

"When you help a needy person, do it in such a way that your closest friend will not know about it..."

Matthew 6:3

Fr. Hernandez is a member of a select group that makes this school function. His duties run from fixing a juke box for the play to bringing computers into Jesuit's curriculum. There is no way we could ever get along without Fr. Hernandez, because he is dedicated to the service of others.

Fr. Hernandez seeks nothing in return for his service, that is what makes him a little different from the common man. In a society so mesmerized by material things, it is refreshing to see a man like Fr. Hernandez, who takes joy in the service of others.

Fr. Hernandez is always ready to help, no matter what the circumstances are. Yet it seems that he receives a small amount of recognition for his services. We believe that this is the way he wants it to be. He prefers to remain inobtrusive, yet he is always willing to lend a helping hand.

We of the Yearbook staff feel that a man like Fr. Hernandez deserves to be recognized. He is an excellent teacher without whom our science department would not be as strong as it is. His knowledge of electronics makes him indispensible around the school. But more importantly Fr. Hernandez accentuates the Christian spirit here at Jesuit. He is a man dedicated to the ideal of silent service to others.

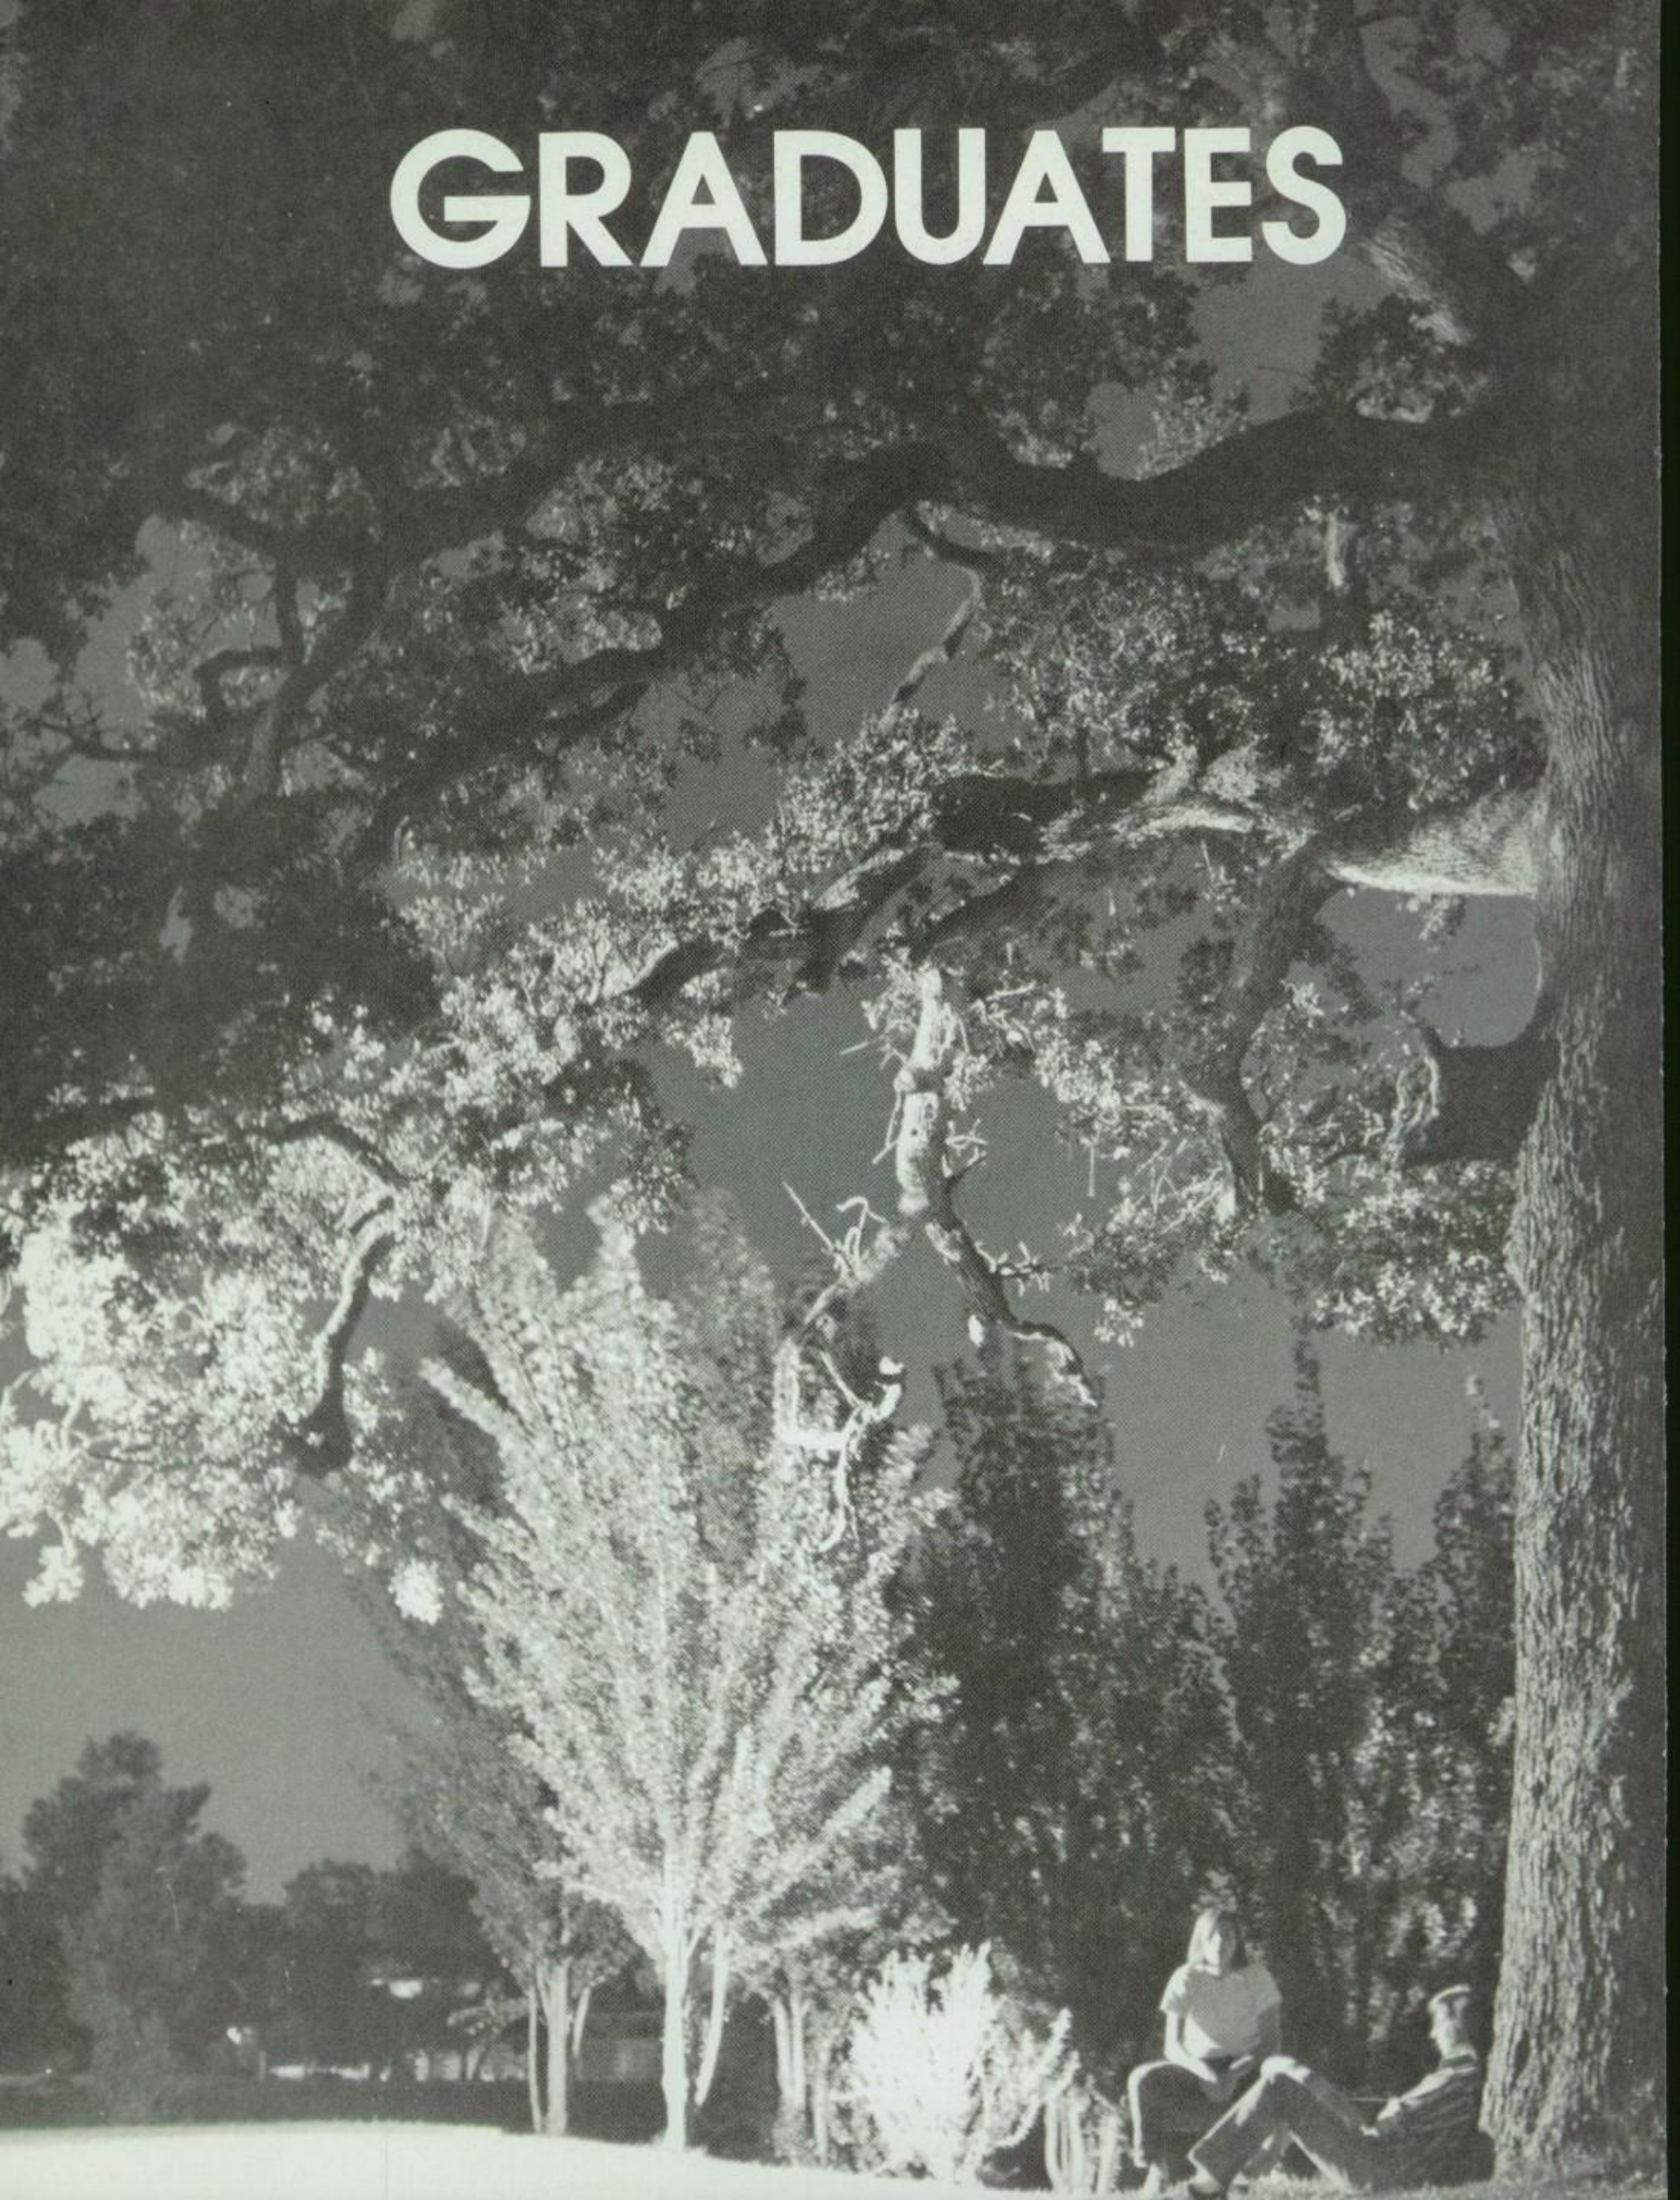
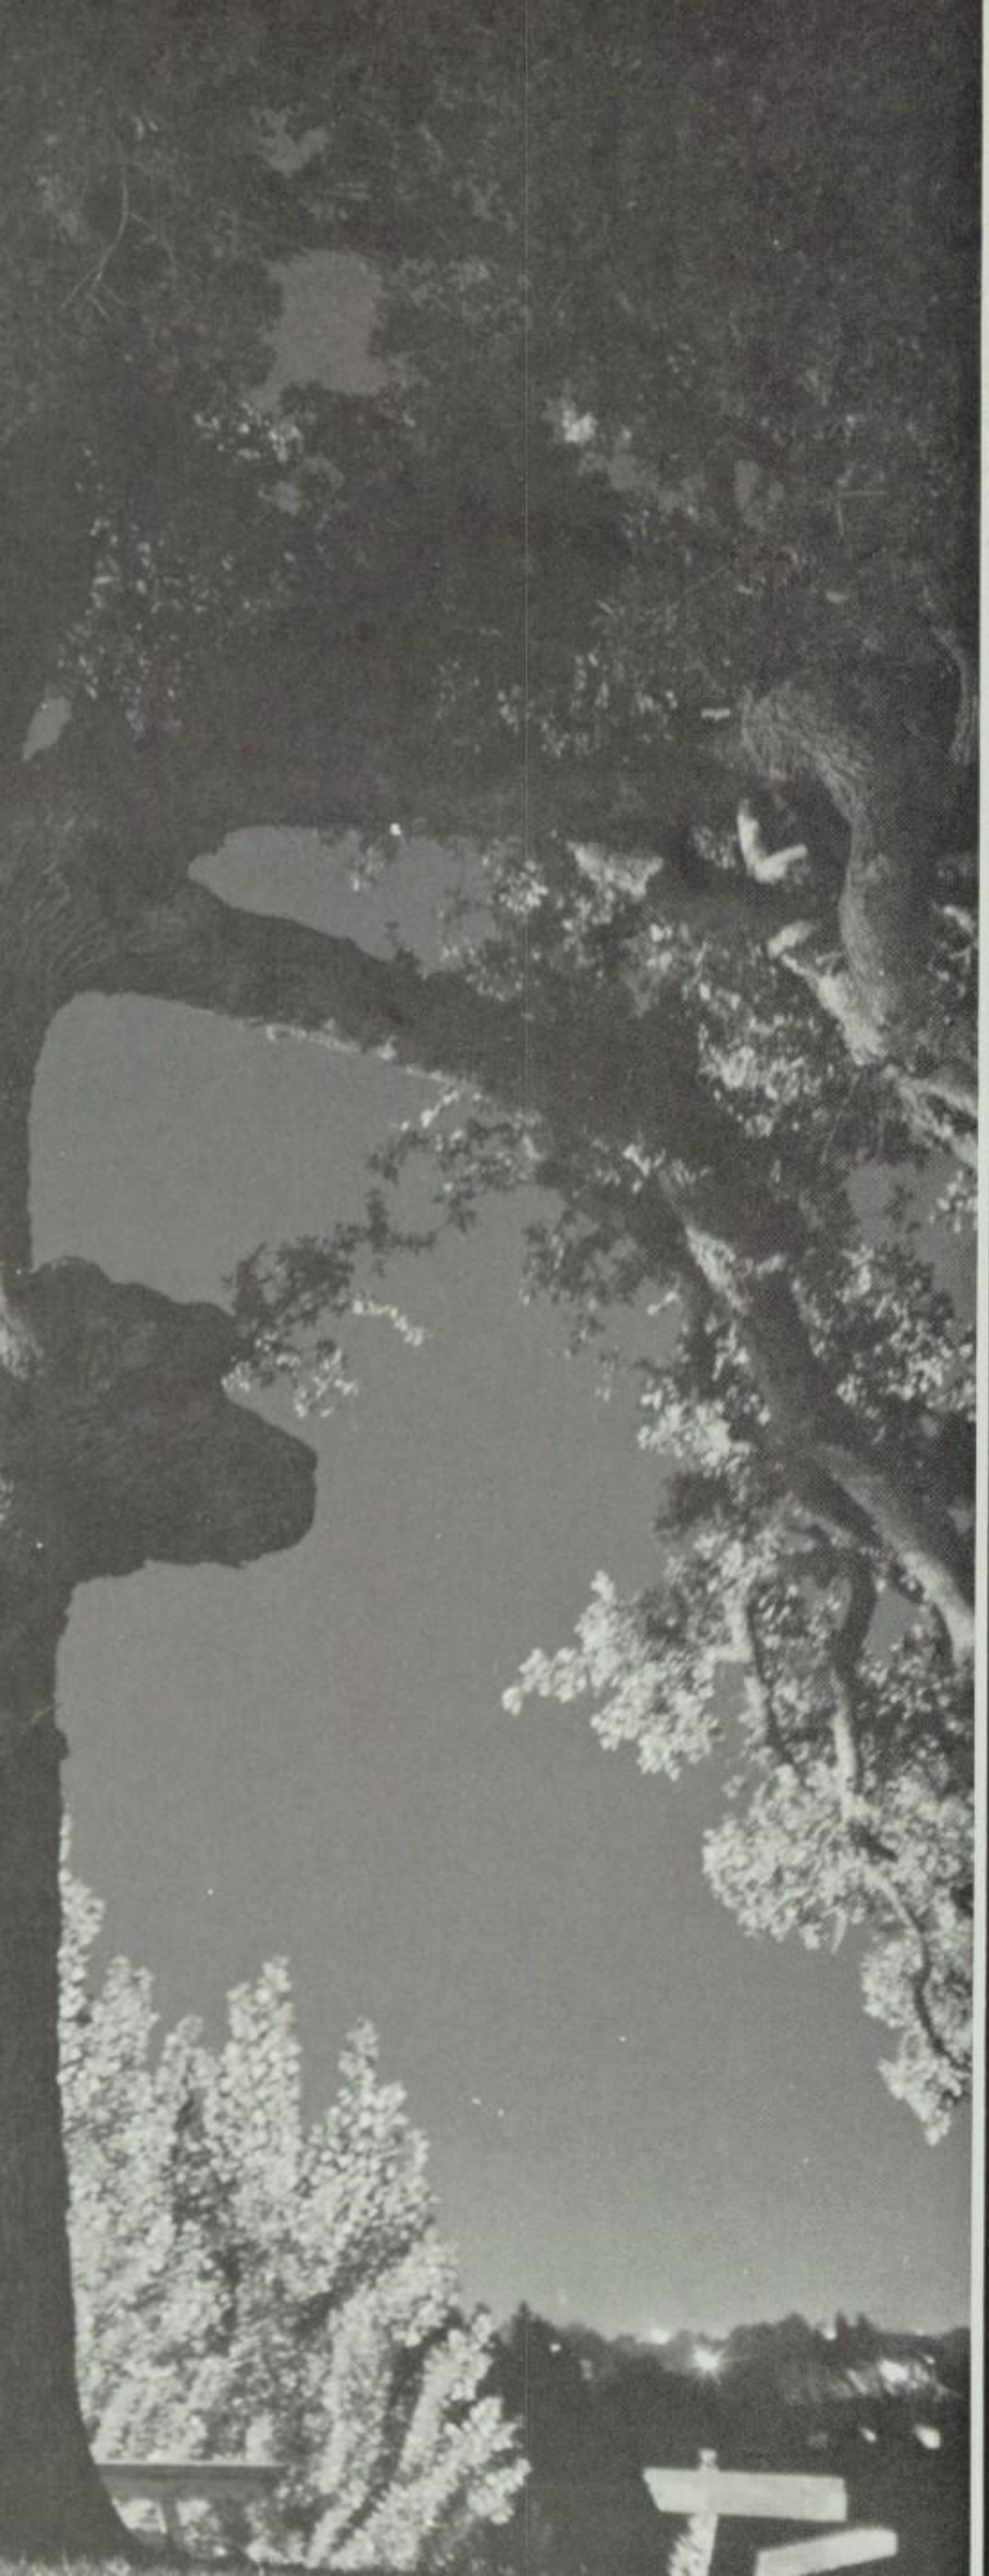
Volunteer Secretaries

Beginning last year under Father Alleander Mrs. Ann Turnacliff incorporated a volunteer secretarial program. The secretaries work on designated mornings from 8:38 to 12:00. They write admits, answer the phone, sell dance tickets and type. They relieve many of the pressures on Mr. Edwards. We would like to thank these ladies for their time and effort. This is the second year for Mrs. Ann Turnacliff, Mrs. Doris Frink and Mrs. Norma Coyle. This year Mrs. Lou Prentiss and Mrs. Noreen Raney have joined the program. Mrs. Mary O'Day is Mr. Stevens secretary. Mrs. David Higgins is the substitute.

GRADUATES





I do not know what I may appear to the world, but to myself I seem to have been only a boy playing on the seashore, and diverting myself in now and then finding a smoother pebble or a prettier shell than ordinary, whilst the great ocean of truth lay all undiscovered before me.

JESUIT HIGH SCHOOL

A COLLEGE PREPARATORY

Dear Graduates,

This year, the personal event of your graduation cannot stand in isolation from our great national bicentennial celebration. For this, the Jesuit graduation of the "class of 1976" will always be twice remembered. This double event for you is charged dutifully with the where, when, and what were you doing as our nation took pause to celebrate two-hundred years of freedom and liberty.

Your Jesuit education has introduced you into the mainstream of American society. Little by little, through irresistible yearnings that were implanted in you as a child and the continual awakenings of spirit, your initiation is now close to completion. Your life has set love in movement toward a mature goal. Contemporary history, no less revolutionary than for our ancestors, will soon call upon you for ideas and leadership in the third century of our United States.

Christian and religious values learned or considered here at school have enobled you and the mankind around you. You can never walk away from these values. They will haunt you at the threshold of daily decisions. They have given you a glimpse of the goal before you, which at least to you seems great and which at your deepest affirmation your heart declares it so.

As a class you have sought for a proper self-definition. You have sifted the elements of your experience at Jesuit and after hesitations you have sided with those who have faith coupled with a unique and noble duty to life. Time will redeem your true greatness.

Sincerely,

Fr. Richard Blinn S.J.

This year the Varsity Football Team fought to a victorious season, winning six games and dropping four. The season opened a bit shaky, but as it progressed, the Big Red Machine took control, winning six out of the last seven games. Through a total team effort, Big Red captured a co-championship title in league action and a spot in the area top ten rankings.

Eight marauders were named All League, including Guy Coe, Brian Barret, Matt Bouza, Joe Riehl, Tim Wilson, Phil Geremia, Dave Catricala, and "Broadway" Joe Potulny. In addition, Honorable Mention was given to Pat Barclay and Dave Matthews.

Jesuit also boasts two All City selections in Matt Bouza and Tim Wilson.

J.V.s Make It Through a Tough Schedule.

The Junior Varsity suffered through a long, hard season. The J.V.'s ended the season with a 1-9 record. But the record doesn't show the true story. The J.V.'s have a lot of great material to make next years varsity team a good one. The bright spots on offense were running-back Adrian Tatarakis who gained over 200 yards in the course of the season. Quarterback Ken O'Brien was also impressive with over 700 yards in the air during the season. The defense was led by middle linebacker Pete Geremia who was the team's defensive player of the year. Jeff Ward led the secondary in holding opposing teams to an average of 42 yards per game. Head coach Steve Coughlin and his assistants Brent Mahan and Brian Harris did a fine coaching job and led the team through a lot of thrilling contests. Everyone is looking forward to seeing these guys play on the Varsity level next year. Good Luck!

The 1975 Frosh football team got off to a slow start partially due to the loss of a lot of talent to injuries, players jumping to other leagues, and promotions to the J.V. team. Despite many setbacks the team never let down and showed the pride and spirit typical of a Jesuit team. The team ended the season with two hard fought heart-breaking losses to South Tahoe, and C.B. This team never quits and will certainly improve in the next three years. Scott Doggett was voted most valuable offensive player with Brian McCone taking the defensive award. Other outstanding players were Bennet Williams, Victor Bertolani, Stanley Yarber, Ed Terman, John Baird, and Mark Sadosky all of whom played both offense and defense.

. . . Another Winning Season

Varsity Team. BACK L TO R: Coach Lange, Jeff Slater, Phil Seeger, Rod Read, Terry Barton, Pete Gaul, FRONT: Earl Logomarsino, Tom O'Neil, Steve Faggella, Jeff Foster.

This season the Jesuit Cross Country team enjoyed continued success. Led by Rod Read and Earl Logomarsino, the varsity Harriers arose victorious in every invitational meet they entered. For the fifth consecutive year, Jesuit bettered their league opponents for the championship. Until the last month of competition, the Harriers remained undefeated. Unfortunately, nearing the most important Postal, Sub-Section, and Section meets, our runners were plagued with injuries and sicknesses. Consequently, Jesuit was beaten out of the state championship by a mere four seconds at Postals. The team recoiled in an impressive effort to win the Sub-Section meet, but failed by one place to capture the section title.

Jesuit's Sophomore runners were probably the best Sophomore team in the country, however they lost their bid at fame and glory when their leader, Jeff Foster, was moved up to varsity, and Robert Bell and Brian Barton were lost to injury. The remaining, still impressive team followed Tom Ford's first place victory at Brown's Ravine to win the League title. The team followed this up with good performances at Sub-Section and Sections.

Traditionally, the Freshman team has taken awhile to get into the running routine. One outstanding young man named Chris Little took less time than the others and had a very successful season competing against Sophomores. At the end of their season, the entire Freshman team ran well and should have a very rewarding track season.

The team thanks coach Walt Lange for providing us with still another year of expert coaching.

Number Eight in the Area: Close . . .

Jesuit Soccer '75 established itself as a solid, winning organization. Coached by Bill Chambers, the team, posting an 11-4-2 record, was ranked eighth in the Greater Sacramento area. The season was highlighted by two victories over Grant, a 9-2 victory over Highlands that established a school record for the most goals in a game, and a 2-1 conquest of rival Christian Brothers.

Several seniors will be sorely missed next year, including Mike Cosca, John Couch, Mark Gillespie, Pete Halvorson, Greg Hambly, Jim Janus, John Rombold, Paul Yarletz, and especially all-leaguers and captains Steve Archer and Mike Schubert. Nevertheless, the play of this year's underclassmen, who manned seven of the eleven starting positions, could mean a soccer championship for Jesuit in '76.

Best Season on Record . . .

This year's JV Toe-ters played a varied schedule against some of the strongest teams in the area. The level of competition took a giant leap forward in the realm of skill and game play over last season.

What the team lacked in experience was made up by their enthusiasm. The devastating defence was under the leadership of Don Hoban and Shawn O'leary while the offensive punch was delivered by Kim Whitney and Phil Cooper. The season record of 5-3-1 reflects the tremendous improvement in this year's team. Much of the credit belongs to the team's volunteer coaches Mr. Mike Melanson and Mr. Bob Bogan.

During this year's Senior-Faculty game, Gallagher, Novak, and Rosequist pause to perform the final act from Swan Lake.

The American Association of Yearbooks refused to print this year's yearbook unless we included these old-time favorite candids. It is an A.A.Y. regulations that requires these pictures be in the yearbook. So in order to avoid a law suit, we of the yearbook staff decided to include these famous cliche pictures in the 1976 Yearbook.

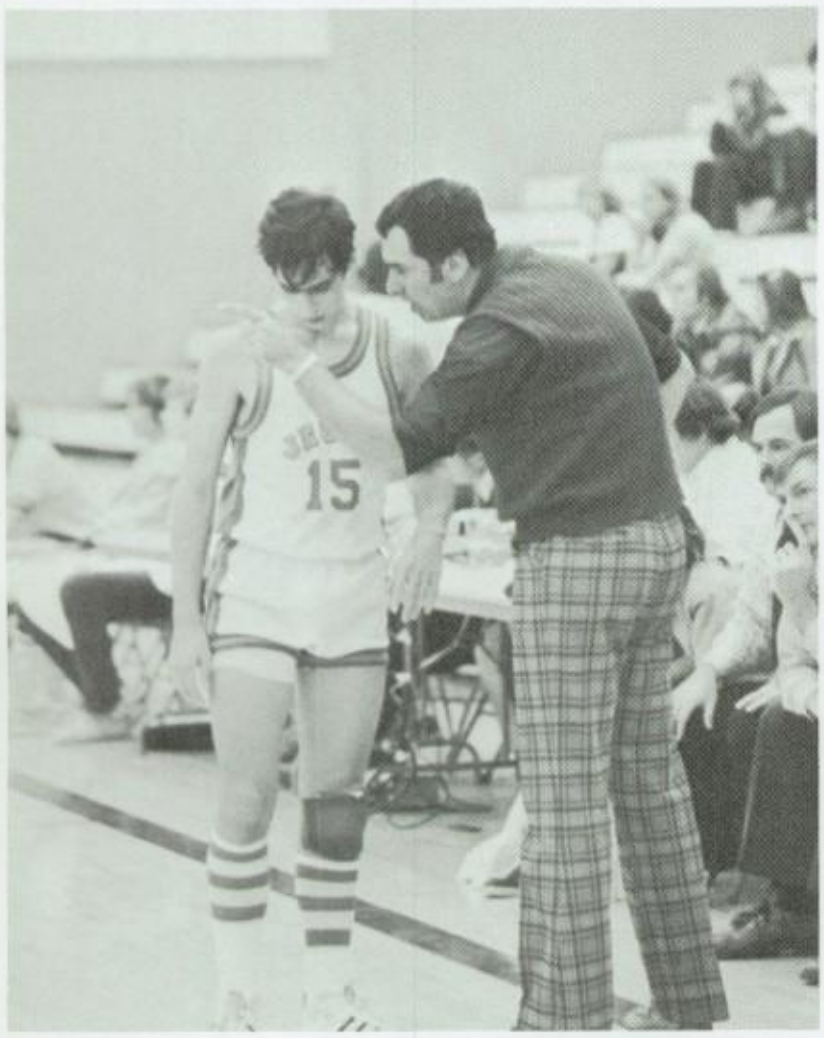
FRONT ROW: L TO R Michelmore, Potulny, Miller, Sullivan, Palumbo, Aguilar, Bagley, Smolich (mgr.) BACK ROW: L TO R Coach Stevens, Ghilarducci, Schwall, Schwarz, Bredy, Davey, Hancock, Brooks, Poteet.



In a down to the wire race for the league championship and a berth in the '76 Tournament of Champions the varsity basketball team ended its ten year residence in the Golden Empire League with a perfect record- Ten years: Ten titles. Jesuit was led this year by all-city center Bill Bredy and all-city forward Mark Ghilarducci. They were the heart of the awesome Jesuit attack. They were helped by Vince Brooks and Garth Davey on Offense. Mike Miller and Glenn Michelmore were outstanding on defense. Ralph Palumbo and Bill Bagley came off the bench along with Dennis Aguilar, Joe Potulny, and Dennis Sullivan. The forwards were relieved by the strong rebounding group of Joe Schwall, and Dave Schwarz. This year Jesuit was really helped by the juniors on the squad. Next year's should have the talent and experience needed to be great.

Coach Dille

. . . Another Super Season!

This year's J.V. Basketball team was an impressive one. The team consists of all Sophomores with the exception of one Freshman. This proved to be quite a challenge since most of the opposing teams consisted of Juniors. Perhaps the strongest point of the team was their quick and alert defense, enabling them to hold most of their opponents to less than forty points. Rebounding was primarily handled by Tim Ridge and Thad Woods while Rick Hallagan proved to be most aggressive on the defense. Scoring was evenly balanced, especially with the outside shooting from Vic Lorenc and Matt Potulny. The bench provided strong support with the help of Chuck Herrera, Brian Halvorson and Ken O'Brien. With this quick defense and fast breaking offense, they will offer promising material for future Varsity Squads.

The 1975-76 Jesuit Wrestling team enjoyed a resurgence from the disappointment of not winning a single match last year. This youthful contingent (only two seniors on the team of twenty) won four matches this year. The team was led by Senior Nels Israelson, 2nd in th league at 157 lbs. and 5th in the Sub-Section, and Bruce Werking, a Junior, 2nd in the league at 148 lbs. and 4th in the Sub-Section.

The success of this year's team is a reflection of the enthusiasm and dedication of each member of the team as well as the hard work of coaches Clyde Lehman and Pat Colip.

Coaches Onorato and Novak review strategy.

The 1975 G.E.L. Champion Marauders baseball team was ranked #6 in the Sacramento area by the local news-services in the pre-season poll. The squad this year should be anchored by returning veterans John McCarroll (C, OF), Phil Cantelme (C), Nick Procissi (SS), Pat Maloney (P,OF), Steve Germoles (3B), Dick Coyle (OF), Bob Higgins (1B), and Joe Potulny (2B), first year seniors Jim Catino, Bill Warner, and Pat Funk, and a host of juniors including the standout pitchers Brian Moore and Tom Lukoskie.

Coach David Novak had this to say about the team: "This team has speed, enthusiasm, and the determination to win. They anticipate and react as well as any group I've seen, and we realize even at this early date that we must pull together if we are going to win our share of the big games." (Big games include encounters with pre-season top ten picks including #8 McClatchy, #10 Kennedy, #2 Cordova, and #1 El Camino as well as an always strong Christian Brothers team). "We will have to rely greatly on our pitching and defense to keep us in the close games. Our ability to run and bunt, and subsequently force our opponents into mental mistakes will key our degree of success this year."

This 1976 team hopes once again to capture the league crown and become the 7th Jesuit Varsity squad this year to finish its season ranked in the Sacramento Area top ten.

As the CUTLASS was going to press, the J.V.'s had high expectations for their 1976 season. Although the team was minus several players from last year's freshmen squad, they still had a strong nucleus of returners, as well as some additions who were expected to pick up the slack.

In their initial practices the team looked strong both at the plate and in the field. If there was a question mark, it had to be that the J.V.'s would need help from several untested hurlers. If these pitchers perform admirably, the team will have a remarkable year. If not, well, the Sophomore Marauders should win a lot of games, scoring a lot of runs, and providing their fans a lot of excitement.

SECOND ROW, Mike Grandinetti, Kevin Hanna, Chris Johnson, Steve Christian, Craig Coppe, FIRST ROW, John Gray, Joe Grandinetti, Steve Drew, Jim Torrence, Andrew Sutliff, M.Grottkau.

This year's swimming team promises to be best in Jesuit's history. Most of the tankmen are already swimming fast enough for sub-sections. Sherm Shevoor has been kind enough to donate the Arden Hills facilities for morning work-out again this year. Even the cold damp weather has not prevented the team from practicing in its preparation for the meet against Santa Clara, the number one High School in the U.S. last year. It promises to be an exciting contest. For the first time, the team will have official divers, freshmen Rich Willet and Ty Rosequist. Since most swimmers are underclassmen, you can expect another strong team next season.

The Jesuit 1976 track team is one of the youngest teams in recent years and also one of the most talented. Many school records will be matched or set by this dedicated group of athletes. It is very evident that the sophomores will be one of the strongest teams in the section. There is a possibility that Jesuit's sophomore team will win the sub-section title and challenge all comers for the sections' team championship. Determination dedication of the men will determine all in the end.
